### **Wallington Enterprises LLC**

*Wallington Enterprises, LLC is an Arizona-based human resources consulting firm supporting the human resources needs of physician practices, clinics and other healthcare facilities. They specialize in providing businesses with an intergrated solution covering all aspects of human resources support. Their programs are delivered with a personal touch by knowledgeable, helpful teams of HR professionals.*

*Wallington professionals know the healthcare industry and the practice of human resources. They provide employee recruitment and retention strategies, human resources processes, employee relations assistance, benefits and compensation design, employee satisfaction/engagement strategies, human resources compliance, training and development and leadership coaching. They will assist you in "Elevating People To Your Bottom Line".*

*Wallington Enterprises offers a free initial consultation and evaluation and 10% discount from their standard fees to ASPA Members.*
