

**Living Well With & Beyond Cancer:
Partnering in Survivorship Care Planning for Medical Professionals**
Friday, September 22, 2017 5:15PM to 8:00PM
360 East Palm Lane, Phoenix, AZ 85004

Bringing together medical professionals to address Survivorship Planning for Cancer Patients. CME credit is available. \$50 fee.

Experts will share current tools and strategies around Survivorship Care Planning and host a panel discussion with Q&A between oncology professionals and primary care providers to clarify roles and responsibilities. Objectives include:

- Identify the gap that exists for patients and understand your responsibility within the Survivorship Care Plan.
- Recognize the Commission on Cancer standard on Survivorship Care Plans
- Understand gaps filled by Survivorship Care Plans to enhance patient experience
- Know resources available to you and your patients

Agenda

- 5:15 to 5:45 Cocktail Reception, Welcome and Networking
5:45 to 6:30 Keynote Address – Noel Arring, DNP, RN, OCN Manager for Nursing Research, Mayo Clinic
6:30 to 7:30 Panel Discussion: Moderated by Noel Arring, DNP, RN, OCN
- David M. Paul, MD Medical Oncologist, Palo Verde Cancer Center
 - M. Zuhdi Jasser, MD, FACP Internal Medicine, Private Practice
 - Allison Sanders, 12-year Stage IV Breast Cancer Survivor, Cancer Survivors Circle of Strength Board Vice Chair
 - Tracy Thurston, MC, LPC Sr. Director of Program and Growth, Cancer Support Community Arizona
- 7:30 to 8:00 Follow up and Next Steps
