ASPA Arizona State Physicians Association

We are pleased that you have expressed an interest in becoming a member of the Arizona State Physicians Association (ASPA). Enclosed are the following:

- ASPA Application
- ASPA Payor Participation Attachments
- Copy of Physician/Provider Affiliate Agreement (**see below**)
- **Please see attached Checklist on next page regarding items needed for your application.**

Please complete the application in full **(any items that pertain to you and your Specialty MUST be filled out) (See Attached, See CV, and CAQH applications will not be accepted)** return **ALL** enclosures with the documentation requested on the application. **PLEASE DO NOT SUBMIT THE APPLICATION 2 SIDED.**

Please review and sign a copy of the contract on page 10. Please **DO NOT** date the contract cover or the 2nd page of the contract. This is to be completed on the date of approval by the Board of Directors. A dated and signed copy will be returned to you for you records following application approval.

Upon receipt of the required information, your application will undergo the credentialing process. **This process takes between 90-120 days.** The contract shall be deemed executed when signed by an official representative of the Arizona State Physicians Association. At that time you will be notified regarding which plans you will be participating in through ASPA.

Additionally, a site visit and chart audit will be required on ALL OB/GYN and Primary Care provider offices as well as Nurses in those same fields. Once your application has been submitted to our credentialing department, our QA Nurse will be calling to schedule a convenient time to come out to your office. We strongly advise you allow our nurse to come out to your office as soon as possible as your application will not be finalized and sent to committee for review until this component of the initial credentialing process has been complete.

As a Member, you may or may not have access to all ASPA's current contracted plans. Your name, specialty, and location(s) will be presented to our current contract plans for consideration of participation.

DO NOT provide services to any contracted plans **UNTIL THE EFFECTIVE DATE WITH EACH OF THE PLANS HAS BEEN CONFIRMED.** Services prior to that effective date **WILL NOT BE COVERED. PLEASE NOTE** your effective date with the plans **WILL BE DETERMINED BY THE INDIVIDUAL PLAN, NOT ASPA.**

If, of course you already have a direct contract with any of the offered plans, you should continue under that contract until your ASPA contract is in effect, at which time you have a choice to either continue under your individual contract or utilize the contract available through ASPA. We suggest you evaluate your contracts to determine which contract is better for your office.

Once you have been approved as a Member you will have access to many other services offered by ASPA.

If you require further clarification or have any questions regarding the application or credentialing processes you may contact Angie at **angie@azspa.com** or 602-265-2524 Ext. 222.

For questions regarding ASPA Contracted Plans and other ASPA services please contact Connie at connie@azspa.com.

Sincerely,
Angie Higgins

MEMORANDUM OF UNDERSTANDING

Arizona State Physicians Association (ASPA) is a physician initiated and controlled organization which seeks to form an economic unit to promote delivery to the public of high quality, cost effective medical care through managed care and peer review techniques. Membership rights should not be considered an investment for profit and will not be transferable. Membership is limited to licensed health care providers who reside in Arizona and practice their profession in Arizona.

The ultimate accomplishment of the goals of ASPA cannot be guaranteed and membership as a physician provider does not ensure your participation in all ASPA contracts.

An Application for Participation in ASPA is attached. With the accompanying completed application for participation, please enclose the appropriate non-refundable credentialing processing fee indicated on attached instructional letter. By signing below, you agree that this fee is reasonable and it implies no obligation by ASPA to accept you as a member in ASPA.

Upon signing and returning this memorandum, together with the non-refundable processing fee (payable to ASPA), and application, the credentialing process will begin. You will maintain the right to review all information obtained by ASPA to evaluate the credentialing application. This review excludes confidential references, recommendations, or other information that is Peer Review Protected. Your completed application and other information will be reviewed by the Central Credentialing Committee composed of members from each Operating Division, or Arizona State Physicians Associations designee. Approval must be gained from this committee or designee, the Utilization and Quality Review Committee and the Board of Directors of ASPA. Such evaluation constitutes a peer review action under the Health Care Quality Improvement Act of 1986. Accordingly, any adverse decision based upon your competence or professional conduct is required to be reported to the State Board of Medical Examiners or the State Board of Osteopathic Examiners, or other appropriate State Authorities. By execution and delivery to Arizona State Physicians Association of this application, you hereby acknowledge receipt of this notice.

Significant business transaction means any business transaction or series of transactions that, during any one fiscal year, exceed the lesser of $25,000 and 5 percent of a provider's total operating expenses.

Subcontractor means—

(a) An individual, agency, or organization to which a disclosing entity has contracted or delegated some of its management functions or responsibilities of providing medical care to its patients; or
(b) An individual, agency, or organization with which a fiscal agent has entered into a contract, agreement, purchase order, or lease (or leases of real property) to obtain space, supplies, equipment, or services provided under the Medicaid agreement.

Supplier means an individual, agency, or organization from which a provider purchases goods and services used in carrying out its responsibilities under Medicaid (e.g., a commercial laundry, a manufacturer of hospital beds, or a pharmaceutical firm).

Wholly owned supplier means a supplier whose total ownership interest is held by a provider or by a person, persons, or other entity with an ownership or control interest in a provider.

Disclosure Of Ownership And Control Interest Statement Form Instructions

Determination of Ownership or Control Percentages

Indirect ownership interest. The amount of indirect ownership interest is determined by multiplying the percentages of ownership in each entity. For example, if A owns 10 percent of the stock in a corporation which owns 80 percent of the stock of the disclosing entity, A's interest equates to an 8 percent indirect ownership interest in the disclosing entity and must be reported. Conversely, if B owns 80 percent of the stock of a corporation which owns 5 percent of the stock of the disclosing entity, B's interest equates to a 4 percent indirect ownership interest in the disclosing entity and need not be reported.

Person with an ownership or control interest. In order to determine percentage of ownership, mortgage, deed of trust, note, or other obligation, the percentage of interest owned in the obligation is multiplied by the percentage of the disclosing entity's assets used to secure the obligation. For example, if A owns 10 percent of a note secured by 60 percent of the provider's assets, A's interest in the provider's assets equates to 6 percent and must be reported. Conversely, if B owns 40 percent of a note secured by 10 percent of the provider's assets, B's interest in the provider's assets equates to 4 percent and need not be reported.

Provider Type Scenarios

Sole Practitioner – Sole Practitioners would identify themselves as Individuals, indicate “None” in Section I, indicate “Yes” or “No” in the remaining check boxes as appropriate then sign and date the form.

Group of Practitioners – the Group Practice being contracted with the Health Plan would fill out one Disclosure and Control Interest form for the Group Practice. The individual practitioners participating in the Group Practice, either as employees or co-owners, would each fill out a Disclosure and Control interest form for themselves as an Individual and list the Group Practice name in the “DBA Name” section, use the Group Practice address and use their own individual Federal Tax ID number.

Hospital or Hospital System – The Hospital would fill out one Disclosure and Control Interest form as a Disclosing Entity. We do not need a separate Disclosure and Control interest form for each practitioner who contracts and bills through the Hospital entity.

Independent Clinical Lab – The entity would fill out one Disclosure and Control Interest form as a Disclosing Entity. If the Independent Clinical Lab employs a group of practitioners that will be enrolled with the Health Plan, each practitioner would fill out a Disclosure and Control Interest form for themselves as an Individual and list the Independent Clinic Lab name in the “DBA Name” section, use the Independent Clinic Lab address and use their own individual Federal Tax ID number.

ASPA Connected Community – Clinically Integrated Network

BACKGROUND:

ASPA is a messenger-model IPA. ASPA created ASPA-Connected Community (ASPA CC), which is a wholly-owned affiliate of ASPA. The ASPA CC was created as an additional option for ASPA Members to participate in a clinically integrated network, physician owned and governed, formed to make available new payor agreements and programs that reward participants financially for delivering value-based services. Our goal is to effectively manage all patients attributed to us by a payor through clinical alignment. ASPA CC will help its members clinically cooperate with other physicians and practitioners in the delivery of care for the patients we manage. ASPA includes all specialties, outpatient facilities, and other ancillary services outside the hospital system setting. ASPA CC will leverage our network to pursue multiple value-based payer contracts in which ASPA-Connected Participating Providers may participate. In pursuit of this strategy, ASPA-Connected is delivering enabling technology, care management and other services that allows Participating Providers to share clinical data and initiate coordination of care across ASPA CC.

To participate with this contract, participating practitioners must agree to:

- Cooperate with ASPA CC to meet any compliance, reporting and quality reporting requirements
- Follow established protocols and pathways established/adopted by ASPA CC
- Cooperate with terms of contracted participation with all payors – Commercial, AHCCCS, Medicare Advantage or MSSP-provider chooses to participate
- If you so choose to participate in the MSSP contract you must be a participating provider with Medicare
- Is an active in good standing Member of ASPA, or other ASPA CC Collaborative Network
- Provider understands and agrees that his/her initial and continued participation as an ASPA CC Provider under this Agreement is contingent upon meeting and complying credentialing standards
- Participate in meeting

For most contracts you will continue to be reimbursed fee for service, however, these opportunity may bring **additional** monies through shared savings and other incentive payments based on meeting quality measures. Reporting will be required as achievement of targets and quality measures based on Medicare (CMS) /AHCCCS or commercial payor, is necessary, however, participants will have the assistance of ASPA CC, our connecting technology and care management program to help achieve these goals. Shared Savings will be based on the ability to improve on the quality measures required by this contract, and reducing the overall cost of care.

5.3 Physician shall obtain a valid assignment of benefits form from Patients annually and shall retain a copy of assignment in Patient's medical record. Physician may use its customary assignment form or a form furnished by Association. Physician's failure to obtain a valid assignment of benefits shall not negate the prohibition against Physician seeking from a Patient any payment for Health Care Services different from the amounts specified by Association from time to time under the various agreements.

VI. TERMS OF AGREEMENT

6.1 This Agreement shall be in full force and effect for a period of one year commencing on the date first written above, and shall continue in effect under identical terms and conditions for additional one year periods thereafter unless either party terminates this Agreement in accordance with the provisions of this Article VI.

6.2 Either party shall have the option of terminating this Agreement, without cause, upon providing at least ninety (90) days' prior written notice to the other party. Physician may also terminate as a Participating Physician with a Payor upon providing Association with ninety (90) days' prior written notice.

6.4 In addition to the right to terminate without cause in Section 6.2, Association shall have the right to terminate or not to renew this Agreement on the terms and conditions of the policies and procedures, Articles of Incorporation, and Bylaws of Association as then in force. This includes the non payment of ASPA Membership Dues.

6.5 Each party acknowledges the right and obligation of the other to inform Patients that this Agreement has been terminated. If a Patient is under active treatment by Physician on the date this Agreement terminates, Physician shall abide by all the laws and ethical principles against the abandonment of patients and will accept Association's reimbursement schedule for this patient during the course of treatment. Following any notice of termination, Physician shall fully cooperate in all matters relating to the orderly transfer of Patient care to other Participating Physicians.

6.6 This Agreement shall automatically terminate upon the revocation or suspension of Physician's license.

VII. ARBITRATION

7.1 Before instituting arbitration under the terms of this Agreement, Physician must exhaust any and all administrative relief that is available under the Articles of Incorporation, Bylaws, or policies and procedures of Association then in force. The parties agree to meet and confer in good faith to resolve any problems or disputes that may arise under this Agreement.

7.2 If any dispute or controversy arising out of this Agreement is not covered by duly adopted policies and procedures of Association and cannot be informally settled by the parties, such controversy or dispute

shall be submitted to arbitration in Phoenix, Arizona, and for this purpose each party hereby expressly consents to such arbitration in such place. If the parties cannot mutually agree upon an arbitrator to settle their dispute or controversy, each party shall then select one arbitrator and the two arbitrators so selected shall select a third person who shall be the third arbitrator. The decision of the arbitrator shall be binding upon the parties hereto for all purposes, and judgment to enforce any such binding decision may be entered in Superior Court, Maricopa County, Arizona. For this purpose each party hereby expressly and irrevocably consents to the jurisdiction of said court. If either party fails to select any arbitrator within fifteen (15) days after written demand from the other party to do so, or if the two arbitrators selected fail to select a third person to serve as arbitrator within fifteen (15) days after the last of such selected arbitrators is appointed the then Presiding Civil Judge of the Maricopa County Superior Court shall select such arbitrator, or at the election of the parties hereto, the arbitrator shall be selected pursuant to the then-existing rules and regulations of the American Arbitration Association governing commercial transactions. At the request of either party, arbitration proceedings shall be conducted in utmost secrecy. In such case, all documents, testimony and records shall be received, heard, and maintained by the arbitrator in secrecy, available for inspection only by either party and by their attorneys and experts who shall agree, in advance and in writing, to receive all such information in secrecy. In all other respects, the arbitrator shall conduct all proceedings pursuant to the Uniform Arbitration Association governing commercial transactions to the extent such rules and regulations are not inconsistent with such Act or this Agreement.

7.3 Nothing contained herein is intended to create nor shall it be construed to create any right of any Patient to initiate independently the arbitration procedure specified in Section 8.2 above. This limitation shall also apply to Association and to Physician to prevent either or both parties from initiating such procedure in any representative capacity on behalf of a Patient.

7.4 Each party agrees to provide timely notice to each other if either party becomes aware of facts of circumstances which indicate a reasonable possibility of litigation with any third person or entity and which are relevant to any rights, obligations, or other responsibilities or duties provided for under this Agreement with respect to any party hereto. Each party further agrees not to counsel or encourage any third party or entity to pursue litigious action against the other party.

VIII. INDEPENDENT CONTRACTOR

8.1 Physician enters into this Agreement as an independent contractor and not otherwise and this Agreement does not make Physician or Association employees, agents, partners, or joint venturers of the other. Physician shall not publicize any relationship with Association without prior written permission. This Agreement in no way prevents Physician from participating in or contracting with any payor organization, other health care service organization or health care systems.

8.2 Physician agrees that, in the case of dual contracts with any Payor, the contract between Payor and Association will become the primary contract for Physician's services unless Physician notifies Association in writing of desire to act otherwise.

8.3 Nothing in this Agreement shall be construed or deemed to create, between the parties of this Agreement or Payors, a relationship of employer and employee or principal and agent, or any relationship other than that of independent parties contracting solely for the purpose of carrying out the provisions of this Agreement. Neither party shall be liable to third parties for acts or omissions of agents, representatives or employees of the other party.

IX. NOTICES

9.1 Any notice required to be given pursuant to the terms and provisions of this Agreement, unless otherwise indicated herein, shall be in writing and shall be sent by certified mail, return receipt requested, postage pre-paid, to Association and to Physician at the addresses appearing at the end of this Agreement. Notwithstanding the above, information pertaining to participation with new or existing Payors shall be sent via fax, e-mail or other electronic medium as determined appropriate by Association.

9.2 Notices shall be deemed received upon receipt by the addressee.

X. MODIFICATIONS

Association and Physician expressly intend that the terms of this totally integrated writing shall comprise the entire Agreement between the parties and shall not be subject to rescission, modification, or waiver except as defined in a subsequent written instrument executed by both parties hereto and, if required by applicable law, approved by the Arizona Department of Insurance.

XI. INVALIDITY OR UNENFORCEABILITY

The invalidity or unenforceability of any terms or provisions hereof shall in no way affect the validity or enforceability or any other term or provision.

XII. ATTORNEY'S FEES

If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of the Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees and all court costs from the other party, which fees may be sat by the court in the trial of such action or may be enforced in a separate action brought for that purpose, and which fees shall be in addition to any other relief which may be awarded.

XIII. MISCELLANEOUS

13.1 No waiver of any right hereunder shall be effective for any purpose unless it is in writing and signed by the party waiving such rights and shall not constitute waiver of any other right.

13.2 No right created under the provisions of this Agreement may be assigned and no duty hereunder may be delegated without the prior written consent of the other party.

13.3 Each party hereto agrees to perform all such acts as reasonably may be necessary to fulfill the purposes and intent of this Agreement. The toleration by either party of defective performance of any provision of this Agreement shall not be construed as a waiver of either the right to performance or the terms and conditions expressed in this Agreement.

13.4 The terms and provisions of this Agreement shall be construed in accordance with the laws of the State of Arizona, as they may exist from time to time.

EXECUTED on the day and year written above.
