## **NEW ASPA PLAN CONTRACT UPMC for Life HMO and PPO – Medicare Advantage Plans Effective 01-01-2020**

### **Background:**

UPMC for Life is a Pittsburgh-based Medicare Advantage Plan. Due to the high population of Medicare patients that travel to Arizona for the winter, UPMC has implemented a benefit for their Enrollees so that they can get access to the “no – hassle, home-away-from- home” coverage they need while enjoying their time in Arizona. UPMIC offers fast, adequate claims reimbursement which typically pay within 10 working business days.

**Easy ACCESS:** The Member notifies UPMC before he or she travels to activate the travel benefit. Then when the patient needs an appointment the patient calls UPMC Member Services. A Member Services representative will call your office to coordinate the visits.

**ASPA will be hosting educational meetings at the beginning of the year about this new Plan.**

**Reimbursement: HMO and PPO 100% of Medicare Current**

(100% of Medicare Fee Schedule with no sequestration. An effective reimbursement rate of 102% of Medicare)
