

ASPA has partnered with a few great Strategic Partners that will offer our Members discounted pricing and revenue back to our Members.

Atlantic Health Partners! Lower Your Immunization Costs: Atlantic Health Partners (AHP) offers discounted pricing on vaccines, an annual rebate, and excellent support for all your immunization needs. Atlantic offers the same discounted pricing to all practices regardless of size or specialty. There is **no cost to join**, enrollment is easy, and you can continue to order vaccines directly through the manufacturer(s) and/or from participating distributors. For additional program information and how to enroll, please contact Rand Deuchler at 800-741-2044 or rdeuchler@atlantichhealthpartners.com

Concert Health partners with practices and clinics to deliver best-in-class integrated behavioral health services. Concert Health's licensed professionals work closely with primary care providers (PCPs) and their patients, acting as part of the care team. **Concert Health** provides [evidence-based](#) behavioral health support to patients when, where, and how they need it the most. Contact Phillip McLean at phillipmclean@concerthealth.io or 480-544-8474.

PayGround: Arizona-based Company with a mission to help medical providers deliver a better bill pay experience. With PayGround, you can on-board patients, create digital invoices (email and/or text), collect online or onsite payments, and see billing analytics all in one, convenient place. Contact us to learn more and request a demo at www.payground.com. Jared Totolo@payground.com or 602-692-9258.

Wells Fargo: Simplify how you accept card payments from your patients. Processing through Wells Fargo Merchant Services will allow your patients to pay the way they want such as using contactless payments in the exam rooms. Data breaches are on the rise. Your customers know this and are trusting you to keep their personal information safe. Wells Fargo will give you the peace of mind by providing resources to stay PCI compliant through various resources including our TransArmor solution. Contact us today to take advantage of this ASPA program.
