

# CREDENTIALING APPLICATION SERVICES

---

## ABOUT US

Credentialing Application Services, a separate division of ASPA, completes applications for all health plans, hospitals, other facility privileges, Medicare, AHCCCS or any other applications that require credentialing information. Our Clients complete one application. We do the rest. From the moment we receive credentialing information, our professional staff works to ensure this process is completed as quickly as possible, which is vital to the success of your practice.

## ADMIN CHALLENGES
